

Biography

Department of the Army

Richard A. Hancock, PE, PMP

Regional Business Director
Great Lakes & Ohio River Division
U.S. Army Corps of Engineers
Cincinnati, Ohio

Mr. Richard A. Hancock was selected to the Senior Executive Service in December 2007. In March 2008 he became the Regional Business Director for the Great Lakes and Ohio River Division. As the Regional Business Director, he is responsible for engineering and construction of Army and Air Force projects at Fort Knox, Fort Campbell, and Wright Patterson Air Force Base, and is responsible for water resources development and management throughout the Great Lakes and Ohio River watersheds, an area of more than 335,300 square miles including all or parts of 17 states. The program includes planning, design, construction, and operation of navigation and flood control on the Ohio River and Great Lakes.
